

GALERIE OLD CHELSEA

"ON WALDEN'S POND"

Friday, September 17, 2021 to Sunday, October 3, 2021

La Galerie Old Chelsea est heureuse de présenter les aquarelles de Brian Turner. Turner a remporté de nombreux prix pour ses aquarelles et a récemment remporté le prix du paysage canadien à la 52e exposition internationale ouverte avec jury de la Société des artistes canadiens.

Walden's Pond fut immortalisé dans le folklore américain dans les années 1800 lorsque Henry David Thoreau y a vécu dans un isolement créatif pendant 2 ans, 2 mois et 2 jours. Son auto-isolement imposé a produit des chefs-d'oeuvre de pensée créative et de perspicacité.

Brian Turner a décidé d'utiliser cette période du Covid pour affiner encore plus ses compétences en aquarelle, et son travail qui en a résulté est impressionnant.

Galerie Old Chelsea is pleased to present the watercolour paintings of Brian Turner. Turner has won many awards for his watercolours and recently won the Canadian Landscape Award at the Society of Canadian Artists' 52nd Open International Juried Exhibition.

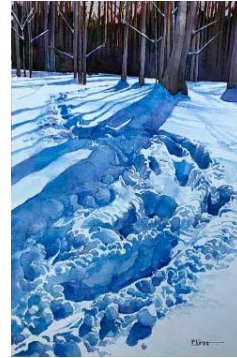

In the 1800's Walden's Pond became immortalized in American folklore when Henry David Thoreau lived in creative isolation for 2 years, 2 months and 2 days. His self-imposed isolation produced masterpieces of creative thought and insight.

Brian Turner decided to use this Covid period to refine his watercolour skills even further and the resulting work is quite astonishing.
